

## Generosity

### Welcome (10 mins)

Can you remember the last person who was generous to you - how were they generous?

### Worship (20 mins)

Think of how generous God has been to us, to the point of giving up Jesus' life on the cross. Remember by breaking bread and sharing wine.

### Word (40 mins)

Generosity - the bible tells us we should be generous.

Split into small groups and read passages.

Brainstorm how we can be generous in all aspects of our lives: work, marriage, home, money, time.

Give time for response - commit to be more generous with one particular aspect, write on a postcard and take home.

Passages to look at: 1 Timothy 6:3-19 (esp v 18)

### Witness (20 mins)

How can we be more generous where we live? (e.g. raise money for a local need).

Generosity overcomes a spirit of poverty.
