

Love Episode 2 – (Konect Series)

Welcome (10 mins)

Tell people they are going to be 'agony aunts / uncles' and give advice to people. Firstly, they have to think up a problem and write it at the top of the page. They should then fold the paper and pass it on. Then they write some advice on the next bit of paper without looking @ the problem. Finally, once this has been folded over and passed on, add the name of someone who should be able to help and why. Read out the best of the most ridiculous.

Worship (20 mins)

With some music on, read John 13.1-17
Wash each others feet!

Word (40 mins)

Brainstorm a list of why serving others is a BAD idea!
Encourage people to be honest!
Fold up this bit of paper and pray, asking God to help you overcome any selfishness.

Read James 2 (Message) about faith and works going together like hand in glove. We are not saved by what we do but we are commanded many times in Scripture to 'do good' and we are rewarded for this.

Issue a challenge: for each person to do an act of costly service, doing something for somebody that nobody else will know about.
What can you do as a group to be of service to someone in the church? Or community? Brainstorm ideas and give time scales of when!

Witness (20 mins)

Go round and do a litter-pick of the street where you are meeting.
Write down 2 ways you can serve a friend this week and do it!

Notes
