

Jesus Present at all Times

Welcome (10 mins)

Tell us one thing (apart from God) that you feel passionately about and why.

Worship (20 mins)

Ask people whether they feel the presence of Jesus in the room. Remind them that he promises to inhabit the praises of his people, so we should actively expect his Spirit when we gather in his name, especially when we give him our thanks.

Go round the group, with each person saying one thing which they are grateful to God for. Keep it going round quickly several times or until people run dry.

Then break bread together, giving thanks for the sacrifice of love which Jesus made.

Word (40 mins)

Ask again whether people feel the presence of Jesus more strongly. Encourage them to expect to meet him when we come together.

Read Luke 24: 30-32. Note the significance of breaking bread. Ask if anyone has had the experience of their "heart burning within them" as they sensed the presence of Jesus.

Pray for each other that our eyes would be opened and that we would be more sensitive to Jesus with us in every situation.

Witness (20 mins)

Discuss the idea of everyone having a personal equipper.

Give out the Personal Journey Guide and give whatever level of explanation you feel is helpful. Stress the confidentiality and make it clear that it is an approach that many people in cell churches have found to be a key to growth and fruitfulness.

Discuss what people feel the mission of your cell should be. Don't worry if you don't conclude this, but make sure the discussion is focused and consistent with the mission of the church.

Pray for the names in your group's personal networks (oikos), or collect

names if you haven't done so already and pray for your area generally.
